

Join us at a very special evening to
commemorate the **50th anniversary** of the state
funeral of Winston Churchill

Using as a backdrop the factory where his coffin fittings were made, the event will include archive footage, some of Churchill's most inspiring speeches from 1940, and an illustrated presentation on the pageantry of the funeral itself.

There will also be a rare opportunity to view examples of the same type of coffin furniture fittings used on Churchill's coffin from the NB collection.

£7.50 a ticket

Inc. refreshments

Friday 30th January

7.30pm
