

A New Future for Cadbury Barn, Manor Farm Park

Options Appraisal Public Meeting

Shenley Court Hall 16th March 2015, 6-8 pm

For the past year Bournville Architects and Birmingham Conservation Trust, in consultation with the Friends of Manor Farm Park, the City Council and others, have been working on an 'options appraisal' for the at present semi-derelict 'Cadbury Barn' and adjacent buildings.

They have now completed the appraisal. Join us at a public meeting where we will present the proposals and invite you to discuss and evaluate them.

No need to book.

Refreshments served.
